SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Dear Sir/Madam:

In accordance with 37 C.F.R. § 1.56, the reference set forth below and listed on the attached form PTO-1449 is being brought to the attention of the Examiner for consideration in connection with the examination of the above-identified patent application. The reference set forth below and cited on form PTO-1449 is enclosed herewith. In accordance with 37 C.F.R. § 1.97, the filing of this supplemental information disclosure statement shall not be construed as a representation that a search

has been made, and shall not be construed as an admission that the information cited in the statement is, or is considered to be, material to patentability as defined in 37 C.F.R. § 1.56(b). References published less than one year prior to the filing date of the parent application are not admitted to be prior art, but are submitted as indicative of the state of art.

It is respectfully requested the Examiner indicate consideration of the cited reference by returning a copy of the attached form PTO-1449 with initials or other appropriate marks.

Pursuant to 37 C.F.R. § 197(e)(2), the undersigned hereby represents that no item of information contained in this information disclosure statement was cited in a communication from a foreign patent office in a counterpart foreign application, and, to the knowledge of the person signing the certification after making reasonable inquiry, no item of information contained in this information disclosure statement was known to any individual designated in § 1.56(c) more than three months prior to the filing of this information disclosure statement.

No fees are believed to be required with this supplemental information

disclosure statement. If any fees are required, however, or otherwise if necessary to cover any deficiency in fees already paid, authorization is hereby given to charge our Deposit Account No. 50-1631.

Dated: February 21, 2002

Respectfully submitted,

E. E. Grondahl
